REMARKS

In response to the Notice to File Corrected Application Papers mailed on September 30, 2011 (hereinafter "Notice"), Applicant offers the amendment noted above. In the Notice, the Patent Office indicated that the drawings filed on December 19, 2000 included Figure 7; however, according to the Notice, the specification's brief description of drawings of the originally filed application did not describe a drawing with that designation. Applicant has amended the Specification as noted above to include a description of Figure 7 in the section of the Specification entitled "BRIEF DESCRIPTION OF THE DRAWINGS" of the originally filed application. No new matter has been added. Applicant submits that the application is complete. The Examiner is encouraged to contact Applicant's representative regarding any remaining issues.

Respectfully submitted,

WITHROW & TERRANOVA, P.L.L.C.
